Dear Ms. Otis:

Throughout the school year, Youth in Philanthropy Encouraging Excellence (YIPEE) members reviewed numerous grant applications and fundraised over \$21,000. After careful review, we are delighted to announce Adopt America Network will receive a monetary donation of \$2,400 for the Love and Luggage Program. You will receive a check from the Greater Toledo Community Foundation in the weeks to come.

We selected Adopt America Network to donate to because the Love and Luggage Program closely aligns with YIPEE's core value of supporting the basic needs of youth. We were impressed with your grant proposal and how the funds will go directly towards purchasing durable luggage and pantry and home goods for youth that are emancipating from Lucas County Foster Care System (LCCS).

Thank you for all of the work you are doing supporting local teens.

Best,

YIPEE Team
